Bill—

I have enjoyed these last two years with you more than you will ever know. you have made my high school days a pleasure. I hope you will enjoy your college years as much as you seem to have enjoyed your high school years. I will never forget the good times we have had together and I hope we have many more. Bill you have the qualities of a fine person and I am sure that success will always be yours. I truly hope all our plans come true and I am sure if it is God's will they will.

Love you always,
Martha Ann

To The High School Students:

This has been a good year---one of the best. On the outside the winter was rough, but inside these walls glowed the warmth of affection enjoyed by comrades working with a purpose. You have been cooperative, working to equip yourselves for life ahead and to bring honor to our school. I appreciate you for all your good work and fine qualities.

This beautiful season of the year brings a tinge of sadness as we bid our Seniors farewell. But we would not change that feature for you Seniors are our men and women of tomorrow so we send you out to take your place in the community with the hope that you will remember this high school experience as your "Golden Years".

In September the class of 1959 will fill the role of Seniors and the class of 1963 will be our welcome newcomers. Through the cooperation of the student body and the faculty may the future bring continued growth and improvement for the Swainsboro High School.

Your Friend,

V. E. Glenn

The Swainsboro High School Student Council seeks to encourage leadership in government functions, to apply democracy through direct representation of the students, and to promote a better student-teacher relationship.

The 1958 officers are the first in history of the organization to attend the Convention of the Georgia Association of Student Councils.

The theme, "Loyalty," is prominent in its activities of service to Swainsboro High School.

Weed II,

We had a good time this summer but now we are leaving for college and all our lazy days are over. Thanks for painting my car - it looks awful! but just awful black. Let's keep up our friendship and have more good times to remember in later years.

I hope you marry Martha as soon as it is possible and I know that will happen. Good luck to the best friend a boy could have.
